

Notice of Utility Tariff Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that ENSTAR Natural Gas Company (ENSTAR) filed TA337-4, seeking Commission approval of a special contract and service agreement for gas sales service between ENSTAR and Golden Valley Electric Association, Inc. (GVEA).

The special contract provides that ENSTAR will provide gas sales service to GVEA for two years and GVEA will purchase 1,000,000 Mcf of natural gas per year. ENSTAR will deliver the Daily Contract Quantity (DCQ) on each day during the term as shown in the table below.

Months	DCQ (Mcf/d)
October – March	3,600
April – September	1,900

The special contract also provides that GVEA will transfer the gas provided under the contract to a Generation Entity, currently Chugach Electric Association, Inc., and that Generation Entity will utilize its currently effective Firm Transportation Service Agreement (TSA) with ENSTAR to move the gas from the delivery point to the Generation Entity's generation facilities. In the event that the Generation Entity exceeds its Contract Peak Demand on a Day under its TSA due to the receipt of gas under the contract, ENSTAR will waive the Excess Demand penalty delivered on GVEA's behalf.

Section 3(b)(4) of the special contract allows ENSTAR or GVEA to reschedule all or any portion of the applicable DCQ that will not be or has not been delivered and received. In the event that GVEA and ENSTAR agree to reschedule DCQ, GVEA and ENSTAR may extend the term of the contract to allow for the DCQ to be purchased and used by GVEA.

Section 4 of the special contract provides that GVEA will pay the Very Large Firm Transportation Service (VLFT) monthly customer charge, the VLFT demand charge, the gas cost adjustment, and any additional fees and charges, as provided in ENSTAR's tariff.

This notice does not contain all requested revisions and the Commission may approve a rate or classification which varies from that proposed.
